## Anandpada

### The Sixth step towards Enlightenment

#### (Braham is this Universe, including me)

Once the intellect is established in the Braham, then the Chit is filled with Knowledge and the Ananda is bestowed on him/her. Such is the state of Sadchitanand.

The seeker now becomes immortal and is respected around the world as a Deity and acquires a prominent position in the Universe.

The course brings all the information and Upasana to the highest level so that the seeker benefits the grace and bliss of the Almighty. He needs to abandon the previous Upadis to enter this stage. And then only he/she can qualify for the highest bliss known as Paramanand. He/she shall be blessed with the Upadhi of Paramanand at the initial stage and later on he/she can get to ever higher ananda Upadhi of SadBrahmanand. This stage consists of many Upadhis from time to time such as Krativdh - highest of mens, Mitra - the friend, Sakshi - the witness, etc.

This course is designed for Chit Shuddhi and Nivrati Poshak in the highest degree of Upasana and Knowledge, pure to purity, establishing oneself to the absolute Dharma.

The seeker learns to establish his Shakti to the Chit Bhava and Sat Bhava by the Upasana and right knowledge acquired during the course.

The course involves deep theory lessons of the highest intellectual capacity which may not be understandable to many. Still the student can find at least his/her benefit. His/her association with many more students striving to the ultimate goal can be a lot of help.

The special examination is only for the super beings those who have attained the Upadhi of Paramhansa and are in a position to discard their Upadhis from external and well as internal.

The course is divided into half and full and allows every participant to join to the half, being they have completed the earlier stage theoretically.
