## Enlightenment Studies

Enlightenment Studies based on Sanatan Dharma covering in seven semesters is first of its kind in the entire world and it is been offered to the world regardless of color and caste. The topic has been always hidden since ancient times and was only with the few in which we used to call as enlightened beings. The enlightenment is a process and can be achieved through the right knowledge and right path.

Therefore, the aim to provide in-depth knowledge based on the Sanatan Dharma has been introduced by the Lord Sri Kalki Enlightenment Foundation under the guidance of its Founder Guru Sri Hitendra in the best way as possible as per the doctrines of Sanatan Dharma.

Enlightenment Studies brings all the topics into light in which the seeker attains the exact position of an enlightened being. And the enlightenment, in which is a process in which we always wondered about being very difficult, is now made easy.

The path of enlightenment has been into light through ages. but did not became public knowledge and due to this the ignorance in the society about enlightenment remained.

Enlightenment is achievable and one can transform to the magnificent beings at any stage and continue as an ordinary human until his last breath, but the difference he/she brings to himself is adorable to himself and the society.

Why one cannot become an enlightened doctor or an engineer, an enlightened social worker, or an enlightened business person, or an enlightened musician etc... The state of enlightenment can be achieved in just three months. And, gone the old days where one had to strive a lot to get the secret and finding this treasure was like a dream.

Now no more dreams; get the best out of you and get transformed to your original form, where you enjoy the highest bliss and seat that

the Almighty has bestowed to the humankind.

Do not be in illusion; it's true. The transformation has begun.

If you are an engineer, doctor, politician, businessman, corporate person, teacher/professor, accountant, social worker, army personal, govt. official... and you want to be free and looking for transformation then this course can give you all you need.

You will become the best, magnificent, lovable, attentive, careful, and special being in this planet.

This is a beautifully designed course for everyone of any religion and age.

The path of Enlightenment is the real Sanatan Dharma - The Eternal Religion.
