The Fifth step towards Enlightenment

(Everything is Braham, including me. All spaces are filled with Braham).

This course is designed as full and half course as the half course contains only information necessary for the seeker. But the full course is only for those aspirants who have attained the **Upadi** of **Hans** from the Guru and have undergone the earlier various stages successfully with outmost dedication of the truthfulness. During this stage the seeker attains all the attributes of the Truth and enjoys lasting bliss when he/she transcends the modes of nature.

His final achievement during this stage is the vision of Braham. He/she starts seeing all the entities as a part of the Braham and the space between the entities also filled with Braham. The earlier concept of his entity becomes a question and he can see the part of the Braham as nature and Atman both subsiding each over and thus enjoys the freedom. The ego of his identity has only one aspect remaining as all the two attributes - Rajas & Tamas are freed from this body. He neither laments the two not carve for the two. The Intellect is established in the Braham.

He/she learns the nature of Atman and Paramatma and do understand the Avidya and Vidya concept in himself/herself. He/she shall be able to unfold the Vigyanmaya Kosh and shall be able to do different task which were seemingly impossible. He develops to unlock the intellect capability and his/her ability to solve problems are always a question.

The seeker with his intellect shall be able to uphold the further secrets of the Ultimate God which is his/her goal. He may or may not be interested in attainments but his association with the Guru may take him/her to further advancement, i.e, to the sixth stage. He/she may experience to unlock certain secrets but they are strictly prohibited activities as they may interfere with the nature of God which may rise to Demonic status.

The seeker shall be benefited by the true grace of the Braham during this stage and this may result in **Upadhi** of **Paramhansa** which is the ultimate in attainments - the rarest phenomenon. The highest divinity - **Enlightenment of the Second Kind**.

All the participants will receive **Certificate of Participation** and those who clear the special examinations will get **Upadhi** of **Paramhansa** and will be eligible for the sixth stage to half and full both.
